## EXPERIENCE

### ● Preneur Lab (2021 May - Present )

I am a Full Stack Web Developer in this company. I have to work both frontend and backend parts. I have to do a web design on HTML/CSS/Bootstrap/Javascript and Backend Part has tot done by PHP.

### ● Trust and Tour Travel Agency (2020 Oct - 2021 April)

I was the Primary website designer of that consultancy. I have built that website using HTML, CSS, Bootstrap 4.5 and Javascript. I was also a part of website Backend Developer For that I have to work on Core PHP. I was also a client consultancy communicator and Graphic Designer in this company. I have to manage client through communication with them and I have done all the internal graphic-related work of this company.

### ● Preneur Lab (2019 Sep. - 2020 Sep.)

I was a Graphic Designer of that company. I had to do creative UI/UX design for Website templates. I also have to do the internal graphics-related work like select images, icons, shapes, color plates of the client-given website.
